Inmate: Higgins, Raul CDCR# P29949 Hearing November
13, 2020 at 8:30 AM CALIFORNIA STATE PRISON, SAN
QUENTIN, CA 94964

To the Parole Board:

My name is Kathrine Barngrover and I am the mother of the victim Carolyn Bolger. I am writing this for myself and the victim' s father, George Clig. We have been grieving the loss of our daughter since November 20,1989, the day that Raul Higgins took her life with his own hands. And we have had to endure the pain of this event every time Mr. Higgins comes up for parole. He clearly still poses a threat to society as indicated by the psychologist. Even Governor Newsom believes he "currently poses an unreasonable danger to society if released". Why would you want to release this dangerous man back into society? George Clig and I are in our 80's now and would like to have some peace of mind that our grandchildren will be safe. Please deny parole to Raul Higgins.

Sincerely

.

Kathrine Barngrover George S Clig
